Technical Skills

Java, Python, Go, Kotlin, PHP, Javascript, MySQL, Cassandra, Redis, ElasticSearch, Nginx, RabbitMQ, Kafka, Spring, Spring Boot, AWS, Git, Docker, Shell Scripting, AWK, LaTeX

Experience

April 2018 – Present | Myntra
Technical Lead

Technologies - Java, Go, Python, Kotlin, NodeJS, Spring, Spring Boot, MySQL, Cassandra, ElasticSearch, Redis, RabbitMQ, Kafka, Docker, Azure

- Build new service to improve partner onboarding experience.
- Added multi datacenter support to all services within the team. Build flows for replication and smooth cutover in case of disasters.
- Improved a distributed schedule management system by adding new features like cron and scaled to support varying traffic requirements.
- Scaled the partner management systems to make it a source system for all partner data. Integrated with central identity managers to protect personal information.
- Build systems to streamline payments to sellers. Provided features to add various types of rates and incentives to the sellers.

June 2015 – April 2018 | CouponDunia
Senior Software Engineer

Technologies - PHP, Javascript, Git, MySQL, Redis, AWS, Angular2, Yii2, NodeJS, Socket.io, ElasticSearch, Docker

- Re-architectured *coupondunia.in* from an existing monolithic to a micro-service system.
- Developed a search service using ElasticSearch which serves the search requests on the site.
- Build various components in the new system, including frontend web app written in Angular2.
- Managed devops, responsible for service uptime and release management. Worked with AWS resources, Nginx web servers, Linux systems etc. Dockerized the development environment.
- Designed and built a new web app, *goswag.com* for receiving cashbacks from scratch.
- Developed various backend systems in PHP.
- Rewrote frontend system in AngularJS to provide a single page application.

August 2014 – May 2015 | Cognizant Technology Solutions
Programmer Analyst Trainee
Technologies C, MySQL, Java.

Education

2010 - 2014 | B.Tech Computer Science & Engineering
Institution : Federal Institute Of Science And Technology, Angamaly
University : MG University
